The fine print:

With your membership renewal, you will receive an EDGE&TA button and a sticker (expires April 15, 2011) to be placed on the upper right hand corner of your yellow membership card. For those that I have mailed buttons and stickers to that already have a membership card, you will find the sticker taped to the back of your button. If you have lost your membership card, I can replace it for a dollar.

Member dues are \$20US per year, which covers one member. The membership provides a periodic newsletter, membership to the National Early Day Gas Engine & Tractor Association (EDGE&TA), EDGETA insurance coverage, an EDGETA membership button, a membership card, and an EDGE&TA window sticker. Newsletters are sent to your email address if you have one. If you change your email address please let me know at dicknsue@nemontel.net.

If your spouse or children under age 18 drive tractors or exhibit machinery or sit behind the ropes of a machinery display at an EDGE&TA branch sponsored event, (such as our Threshing Bee) they must be a dues paying member. Membership dues for your spouse or children under 18 are an additional \$10US each per year in addition to the \$20US for your membership. Children over 18 need to have their own \$20US membership. Youths who are between 12 and 16, or have not reached the age where they have gotten their drivers license are required to complete the EDGETA Youth Driver Training Program. See the EDGETA web page for details.

Wives, who volunteer to serve the lunch, pie and coffee, or take tickets at the Threshing Bee are covered as volunteers under the National Liability Policy and do not need to pay any additional dues.

Children that only ride on a tractor driven by a member are not required to pay additional dues. Remember there must be a seat for the child on the tractor. See the EDGETA web page for more details on additional riders on tractors, www.edgeta.org.
